Further, Group 3 (Claims 16-18 and 34-36) has been rewritten to depend upon elected Group 1. Thus, Claims 16 and 34 have been amended to depend upon respective independent Claims 1 and 19.

Further, undue diverse searching should not be required because to do a complete and comprehensive search of the broad inventive concept disclosed and claimed in this application, the Examiner will have to search the same classes and subclasses.
